

JACQUES AZIANOU

Fullstack Developer & UI/UX Designer

[\(+234\)-903-341-4310](tel:+2349033414310) [@ jackthe1first@gmail.com](mailto:jackthe1first@gmail.com) github.io/codebyajax [Lagos, NG](#)

SUMMARY

Fullstack Developer & UI/UX Designer with 3 years of experience building responsive web applications using React, Next.js, JavaScript, Tailwind CSS, and GSAP. Passionate about creating fast, accessible, and visually polished user experiences with clean, maintainable code.

EXPERIENCE

Frontend Developer

Ehizua hub

03/2023 - 10/2026 Lagos, NG

- Trained and led an Agile team of 7 frontend developers.
- Introduced students to modern frontend development using HTML, CSS, JavaScript, and React fundamentals.
- Assisted with frontend implementation and debugging while improving code quality and maintainability.
- Worked with a committee of 6 members to organise fun-activities for the employees.

Project Manager

Lulu scents

08/2026 - Present Lagos, NG

- Managed the end-to-end development of a luxury perfume e-commerce website from planning to launch.
- Coordinated client requirements, project timelines, and communication throughout development.
- Oversaw implementation of the product catalog, search, shopping cart, and checkout experience.
- Ensured the website aligned with the client's brand identity and business goals.
